# WELCOME

If you are reading this letter it is an indication that you feel God has placed a call on you to serve Him by serving others. We are here to assist you in responding to that call. Whether it be to pulpit ministry, teaching, counseling, evangelism or whatever that ministers God's love to others, we want to equip you for that purpose. The Mississippi District School of Ministry's (MS-SOM) exists for the sole purpose of preparing students to develop into ministers and leaders that God can use to bring hope and life to those in need of salvation.

MS-SOM is only one of many means of developing your knowledge base that accentuates your abilities and talent to answer your call. We offer classes that meet the educational requirements for credentials with the General Council of the Assemblies of God as well as ministry specific courses that strengthen your serve wherever you are engaged in the local church or community.

Classes are designed to be interactive in order to stimulate your mind and heart regarding the written Word and give you help with the practical hands on, nuts and bolts of ministry. The instructors are seasoned ministers who offer years of experience, sharing successes and failures to prepare you for what lies ahead in your ministry.

I trust you will find the classes challenging yet attainable; friendly yet disciplined; practical yet spiritual. I want you to take this opportunity to fully engage instructors and peers in the quest to find the best and highest God has to offer you through this school. My prayer is that this will not end with completion of your required course but will be an entrance to a lifelong quest for knowledge and development to be all that you can be for the glory of God.

The Mississippi School of Ministry (MS-SOM) is a vital support to the ministry endeavors of churches and pastors. Knowledge gleaned from the classroom experience becomes a valuable tool that the Holy Spirit can use to further the purpose of God in your life. MS-SOM integrates spiritual formation, relationship building, and academic achievement to provide a unique learning experience. Students not only acquire knowledge necessary for obtaining ministerial credentials, but also develop character and skills essential for effective ministry.

## ENDORSEMENTS

## DISCLAIMER

Courses completed through the Mississippi District School of Ministry that are required by the Assemblies of God for ministerial credentials meet the educational requirements of the General Council for the respective level of credential.

## STRUCTURE

Classes are conducted once a month, eight times a year. Three courses are offered each month, one for each corresponding credential level (certified, licensed, ordained). Students participate in five hours of classroom instruction, with a 3-hour class session on Saturday morning (8:45 a.m.-12:00 p.m.) and a 2+-hour session on Saturday afternoon (1:15 p.m. - 3:30 p.m.). A final exam is taken at the end of the final session. Grades are e-mailed to students. Final grades will be calculated as follows: Reflections and Insights 10%, Text Study Guide 45%, Exam 45%.

Prior to class, each student is required to work through the course text and text study guide. A minimum of 10 hours of preparatory work is necessary. With the classroom time, students will have invested 16 hours per course.

The classroom instruction provides an overview of the material, practical applications, and opportunity for questions and discussion. Instructors use personal experience and a variety of teaching methods. Faculty members become natural mentors as they build relationships and share experiences with their students. Faculty advisors are available to provide accountability and guidance for the students.

# STANDARDS OF ACADEMIC INTEGRITY

Registration in the Mississippi School of Ministry requires adherence to basic standards of academic integrity. Any violation of these standards may result in disciplinary action ranging from lowering a grade to dismissal from MS-SOM, depending on the severity of the infraction. In addition, a notation of the violation will be placed in the student's permanent file which is reviewed by the credential committee and by the Presbytery during the credential process with the Mississippi District Council of the Assemblies of God.

The following examples represent some basic types of behaviors that are unacceptable. (This is not an exhaustive list.)

1. Submitting work done by someone else as your own.
2. Copying or paraphrasing someone else's essays, projects, study guides, or other work and submitting it as you own.
3. Obtaining or giving an unfair advantage by sharing completed study guides. MS-SOM is a Christian ministry development program serving to equip men and women to fulfill God's calling on their lives. Christian conduct and character are expected among students and faculty and should guide all written and verbal communication and assignments.
4. Students are expected to complete the required course assignments by their own efforts. While it is reasonable and beneficial for two or more students from the same family, church or community to study together, it is essential that each student's work be his or her own endeavor. Students should not combine their study results to make a common line of thought that appears identical on multiple pre-class session study guides. Situations of this nature will be brought to the attention of the school's administration and will be investigated to determine if discipline is warranted.
5. Sharing any information during examination will result in failure of course and possible dismissal from school.
